

VEGEGREENS

Key Benefits:

VegeGreens contains a wonderful array of greens and superfoods to support optimal health. With a combination of land and sea greens, medicinal mushrooms, antioxidant rich vegetables like beets, and liver-support nutrients such as turmeric, each scoop adds nutrient variety that one may not find in their typical diet.

Health Canada Claims:

VegeGreens' complex formula provides the following Health Canada approved claims:

- Source of digestive enzyme (s)
- Provides antioxidants
- Source of fungal polysaccharides with immunomodulating properties
- Used in Herbal Medicine as an anti-inflammatory to help relieve joint pain
- Used in Herbal Medicine to aid digestion
- Used in Herbal Medicine as a liver protectant

Target Market

- Individuals looking to diversify and increase their intake of vegetables.
- Busy, on-the-go
- Looking for a simple addition to their daily regime

Cautions and Warnings:

Do not use this product if you are pregnant, breastfeeding or have a history of systemic lupus erythematosus. Consult a health care practitioner prior to use if you have diabetes, gallstones, a bile duct obstruction, stomach ulcers or excess stomach acid, are taking blood thinners, birth control medication or undergoing hormone replacement therapy (HRT). Consult a health care practitioner if symptoms persist or worsen. Diuretic effect and hypersensitivity have been known to occur. Stop use if hypersensitivity/allergy occurs.
